## Vocational Skills Training by Tech India at Don Bosco Industrial Training Institute

### Introduction:

Welcome to a transformative journey into the realm of vocational skills training at Don Bosco Industrial Training Institute, led by Tech India! With a fervent commitment to nurturing talent and empowering the workforce of tomorrow, we embark on a noble mission to redefine the landscape of ITI education. Our aim is to revolutionize the

traditional approach,

ensuring that students are not just equipped but inspired to thrive in the dynamic world of industrial trades.

### Setting the Stage:

Envision a dynamic learning ecosystem pulsating with vitality and zeal. Here, our curriculum, meticulously sculpted like a work of art, serves as a beacon of enlightenment, guiding aspiring electricians, mechatronics engineers, and fitters towards the pinnacle of success. Each session unfolds as a symphony of discovery, where students delve deep into the intricacies of their chosen trades, fuelled by curiosity and ambition.

### Key Points for Success:

1. Duration Delight: Each training sessions, akin to a journey of self-discovery, span two hours of classroom sessions,

followed by hands-on training. Every moment becomes an opportunity to unlock hidden potentials and unravel new horizons.

2. **Assessment Adventure:** As participants embark on their quest for knowledge, they are met with exhilarating challenges in the form of assessments. Armed with a minimum score of 80% as their compass, they navigate through topics with unwavering determination and unyielding grit.

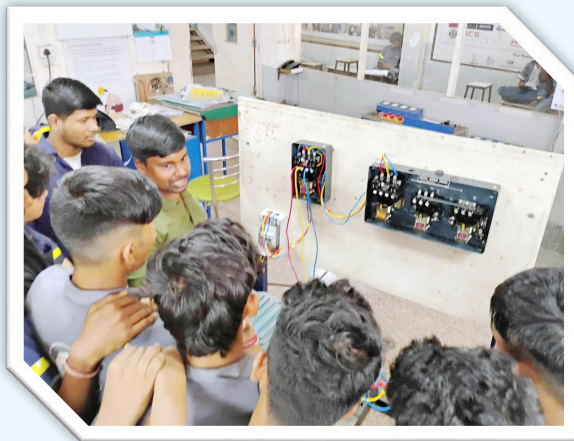

3. **Certificate of Achievement:** At the culmination of this odyssey, triumphant students shall be adorned with certificates of achievement, akin to badges of honour earned through sheer perseverance and unwavering dedication.

### Resource Quest:

In our relentless pursuit of excellence:

1. **Seminar Scheduling:** Like celestial bodies aligning in the cosmos, we beseech confirmation of dates for our seminars, ensuring a seamless voyage through the realms of education.

**2. Presentation Panorama:** Envision a grand stage set for the revelation of knowledge, where ideas come to life through

captivating presentations and awe-inspiring product demonstrations. We seek a facility that ignites curiosity and sparks inspiration in every participant.

### **3. Audiovisual Ambiance:**

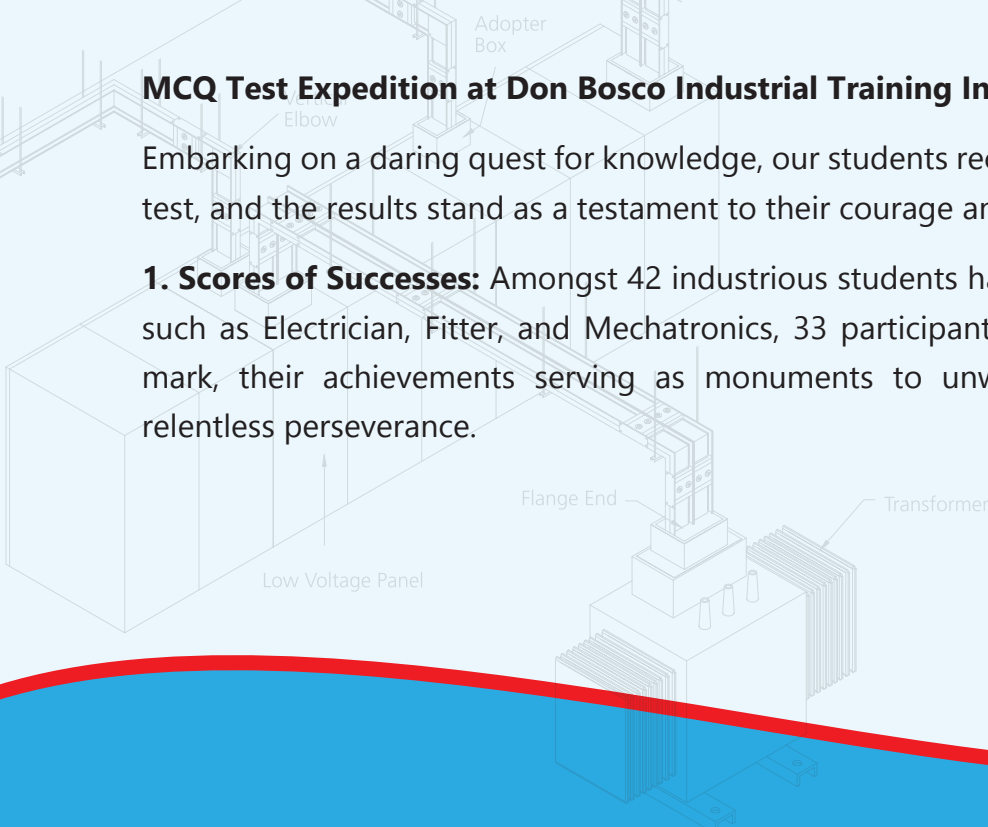

With the power of technology as our stalwart ally, we seek the provision of an overhead projector and a harmonious sound system, transforming our training sessions into captivating and immersive experiences that resonate with the minds and hearts of our learners.

### **MCQ Test Expedition at Don Bosco Industrial Training Institute:**

Embarking on a daring quest for knowledge, our students recently undertook an MCQ test, and the results stand as a testament to their courage and resilience:

**1. Scores of Successes:** Amongst 42 industrious students hailing from diverse trades such as Electrician, Fitter, and Mechatronics, 33 participants soared above the 60% mark, their achievements serving as monuments to unwavering dedication and relentless perseverance.

**2. Navigating Challenges:** While 9 participants encountered turbulent waters on their educational voyage, we stand ready to guide them towards calmer seas, offering unwavering support and abundant resources to navigate their journey to success with confidence and resilience.

### Conclusion:

Tech India extends its hand in partnership to industrial institutes, sharing our wealth of field experience and fulfilling our corporate social responsibility by upskilling and preparing the workforce to meet the demands of modern industries. At Tech India, our commitment to innovation and excellence knows no bounds. With your unwavering support and collaborative spirit, we embark on a monumental journey to shape the future of vocational skills training, one adventure at a time. Together, let us carve pathways to success and ignite the flames of inspiration that shall illuminate the way for generations to come.

We take this opportunity to express our gratitude to Mr. Amar Prabhu, Principal of Don Bosco ITI, and his colleague. We extend a special thank you to Ms. Sangeeta Gaiwad for her dedicated coordination of each session.
